

ENDURABLEND™

POLYMER CEMENT SURFACING

Bike and Bus Lane Markings

Endurablend is being used throughout the country to help delineate bike and bus lanes. Green colored bike lanes provide a clear visual to the motorist making for a safer environment for the bicyclist. Red colored bus lanes also provide a clear visual and helps to improve travel times.

Endurablend Features

- **Extremely Durable**
- **Snow Plowable**
- **Not affected by Salts and Oils**
- **Environmentally Stable**
- **Easy to repair or re-apply**
- **Certified Installers**
- **Three Year Warranty**
